Dear Supporter,

Thank you so much for your generous donation of _____, valued at \$_____ to For the Girls, Inc. and the I Support the Girls campaign. Your contribution goes to support women like Rochelle, who lives on the streets and hasn't had a new bra in 8 years. She shared that having these things made her feel like a real persona again, and that she was able to look after her own needs and not just those of her children. The gift of a bra or hygiene product to woman or girl in need is the gift of dignity.

Your contribution to our effort means so much to us as we collect and distribute bras and feminine hygiene products to women and girls worldwide. You are among thousands of like-minded supporters who heard our call to launch this initiative and turn this moment into a worldwide movement!

"Support the Girls Campaign" within its parent organization, For the Girls, Inc., a 501(c)3, is a national clearinghouse that provides guidelines, resources, and support to individuals and organizations to assist in collecting bras and menstrual hygiene products to donate to homeless shelters for women in need. No goods or services were provided in exchange for this contribution.

Again, thank you for your generosity. Please feel free to contact me at Info@iSupportTheGirls.org with any questions you may have.

Best Regards,

Dana Marlowe
Founder and Executive Director
